## Fastest Racer Challenge

Do you think you are the fastest skater in the city? How about the province? Here's your chance to see how you stack up against others on the ice?

Bring your hockey or ringette team to see who is the fastest on the team! Do you want to see who the fastest is in your school or grade? Ridge Meadows Speed Skating is holding a fundraiser to see how fast you can race around an ice rink.

All that is required is hockey or figure skates, CSA approved helmet and hockey or cut proof gloves and your donation (Adults – toonie per lap / Youth – loonie per lap) Half of the proceeds will go to the BC Transplant Association in honor of Dennis Teboekhorst who was a firefighter and speed skater in Maple Ridge.

Your times will be published on both the BC Speed Skating and Ridge Meadows Speed Skating website's and/or Facebook pages.
